

Subject: Father

Jack of all trades theme. Done a lot of things in his life. Family, Piper cub airplane, built house and three outbuildings, made banjo tubs, restoring 8N tractors, *made* a shaving horse at 83 years old and still going.

Outdoorsy/rugged theme. Outdoorsy/rugged sometimes conveys sloppiness (maybe with regard to weather conditions). Would like to some convey precision and accuracy because all of his hobbies have required that.

Font considerations: Merriweather for titles and Special Elite for content.

The spectacle before us was indeed sublime.

Apparently we had reached a great height in the atmosphere, for the sky was a dead black, and the stars had ceased to twinkle. By the same illusion which lifts the horizon of the sea to the level of the spectator on a hillside, the sable cloud beneath was dished out, and the car seemed to float in the middle of an immense dark sphere, whose upper half was strewn with silver. Looking down into the dark gulf below, I could see a ruddy light streaming through a rift in the clouds.
